# what's the issue?

By [Ryan Guina](#) · April 1, 2021

## The Death of the Penny – US Mint to Cease Penny Production in 2023

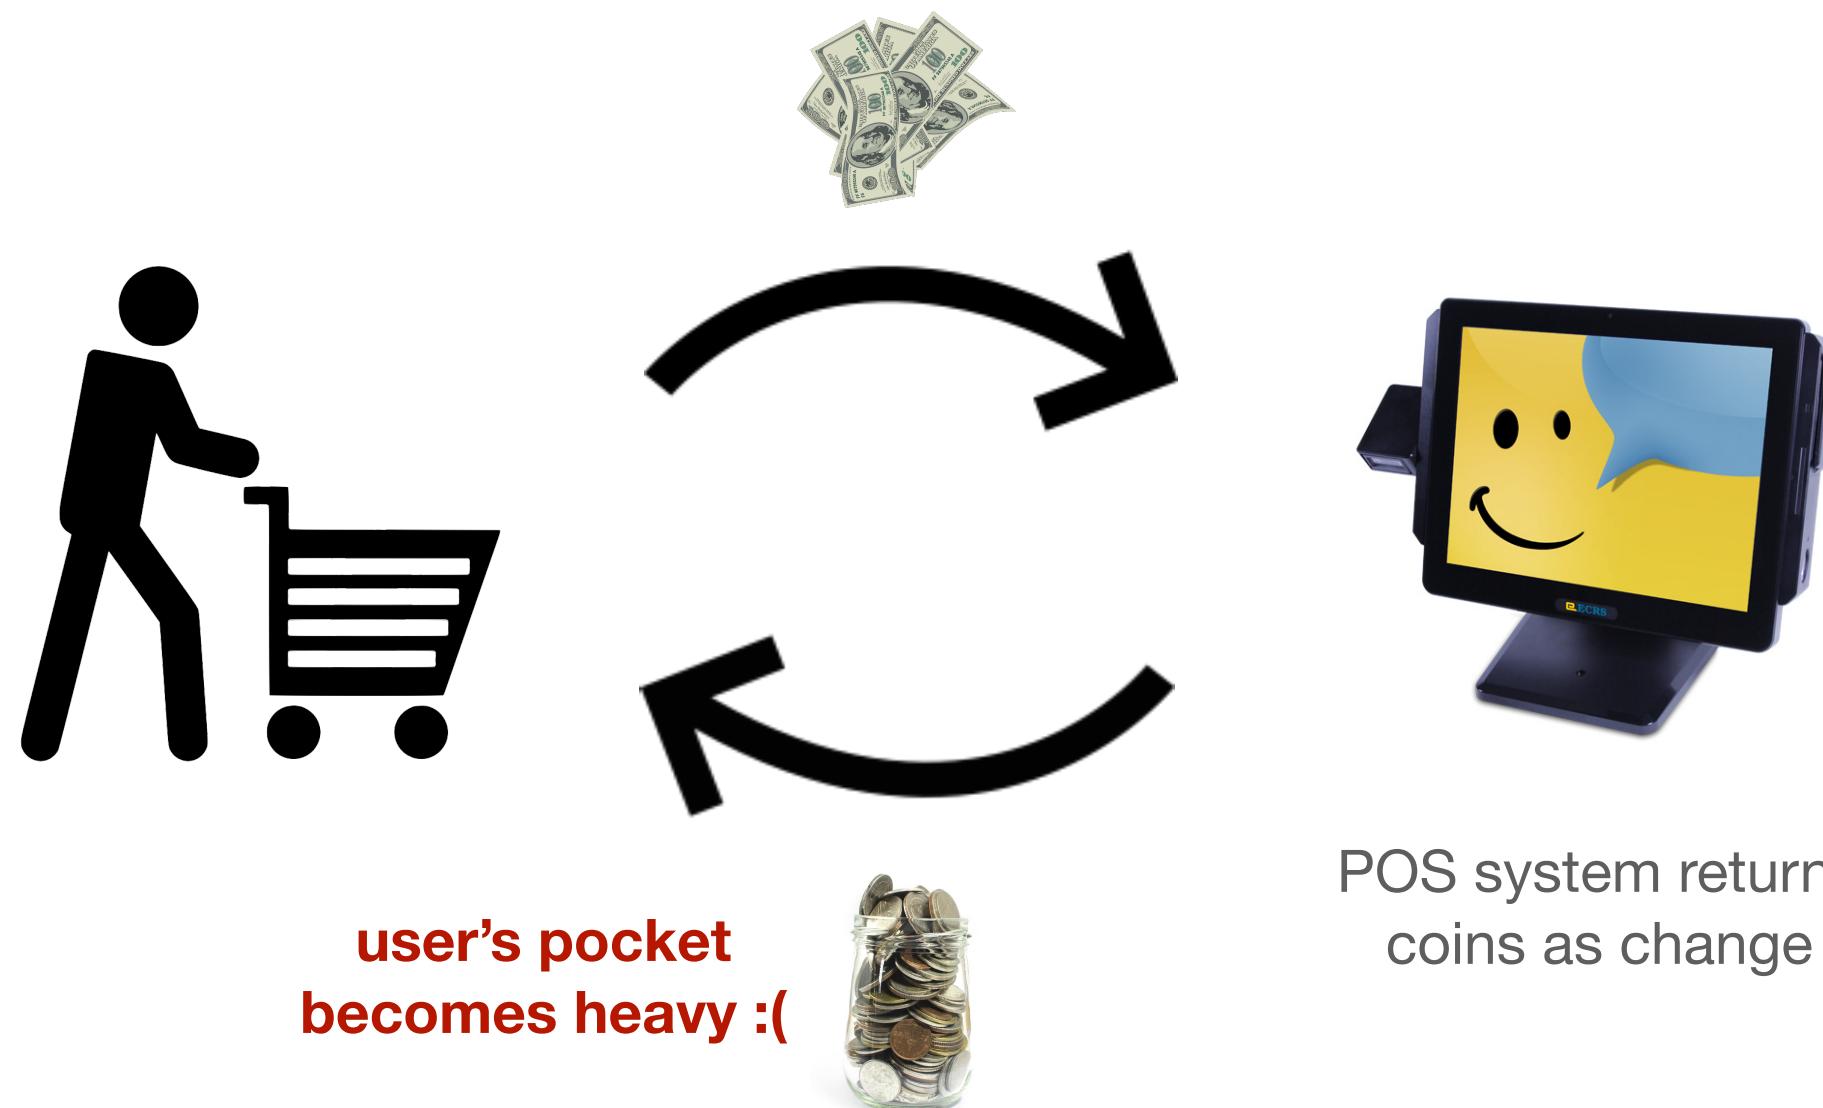

how much does it cost to make coins?

# our approach

## traditional

user pays groceries with cash

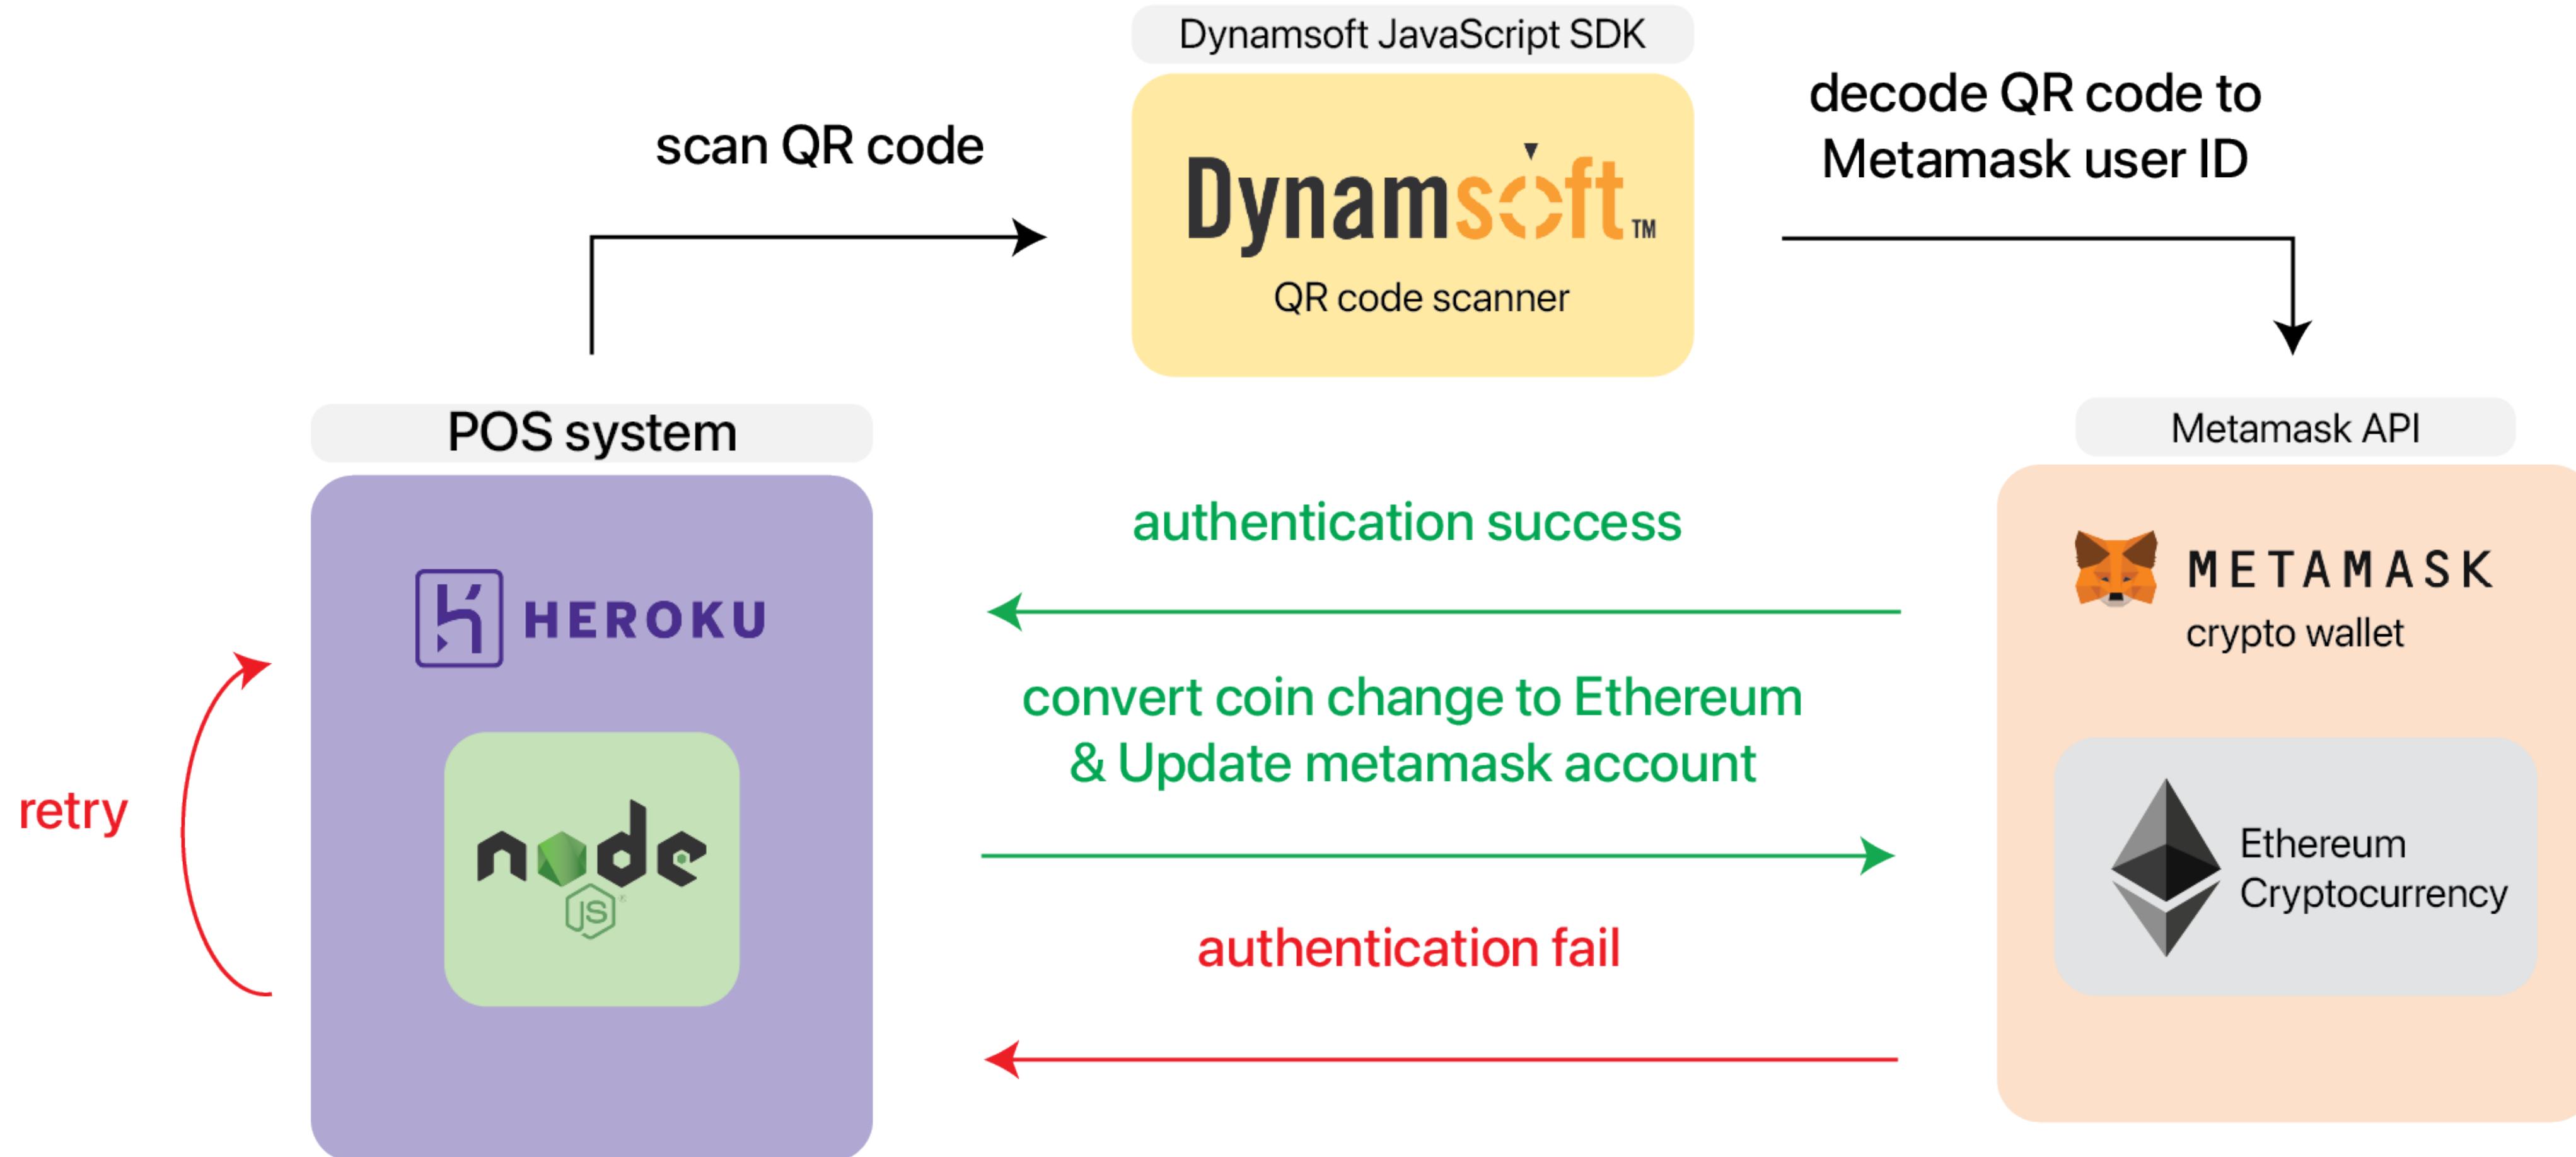

user pays groceries with cash

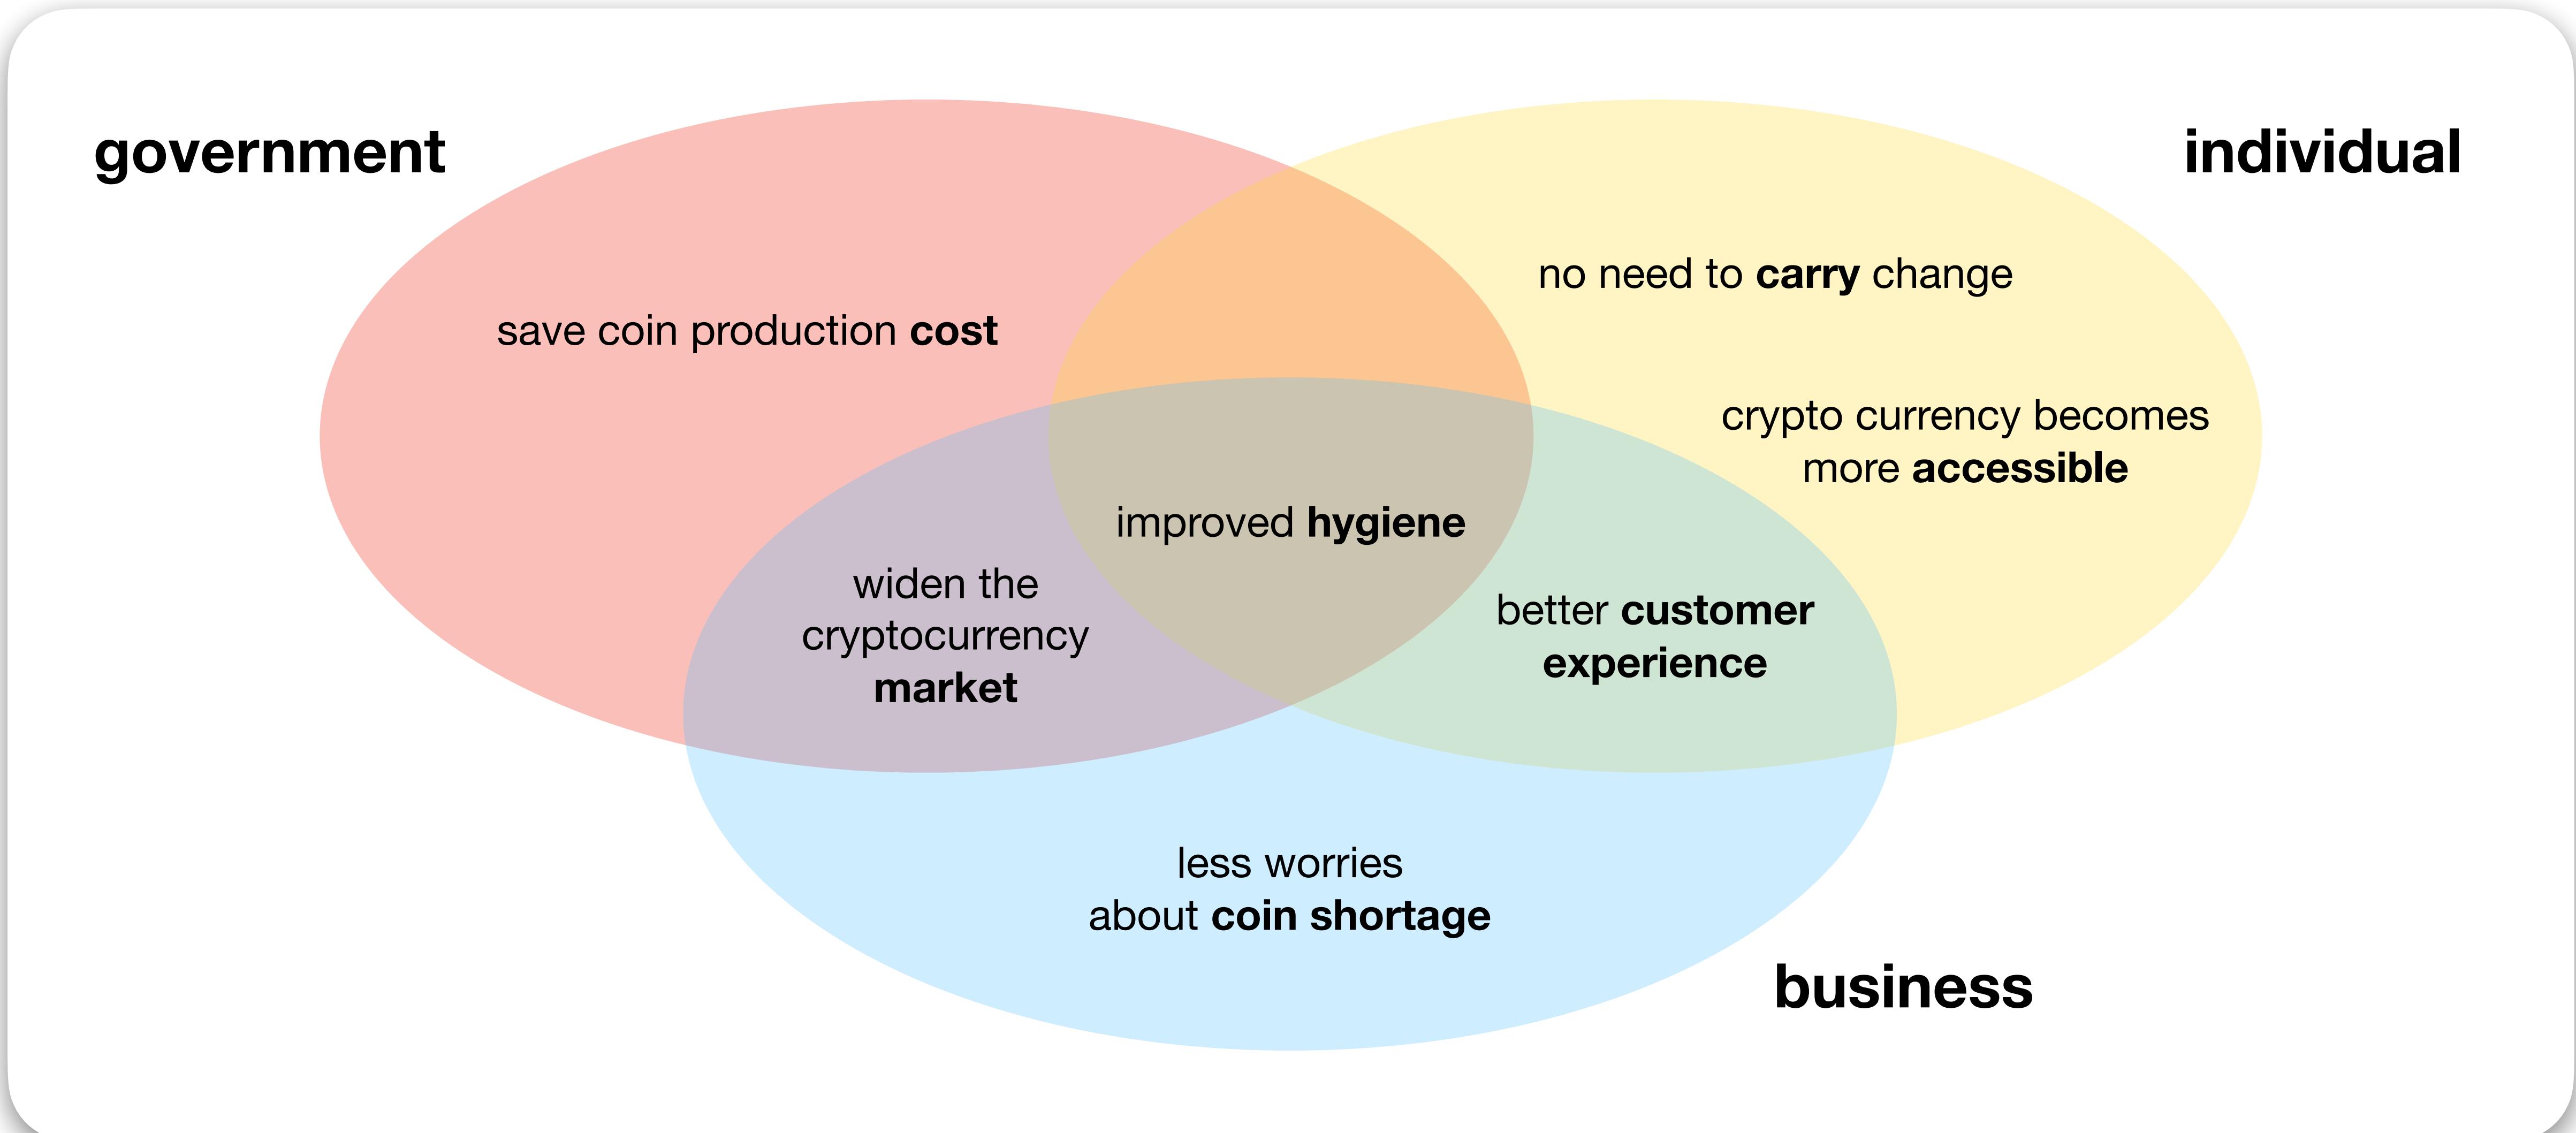

**demo**

# system architecture

# this is COOL because..

# our next questions

how could we manage **gas fee**?

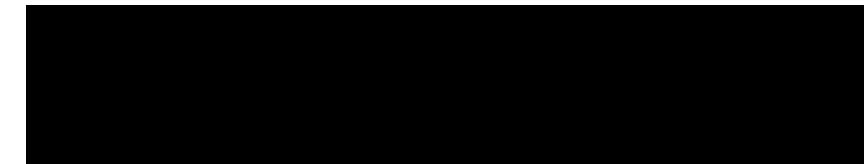

how could we use not only crypto  
but also other **connecting to different banking accounts**?

how could we implement **security**?

**thank you!**

# appendix
